Contract Holder Signature:	Date:

The cancellation form is to be submitted (if possible) to the service contract provider where the contract was purchased. The provider will in turn submit the request to cancel with the program administrator. (Interstate National Dealer Services)

The Administrator (Interstate) will cancel the contract. You will receive your refund check directly from the service contract provider.

If a lien is outstanding against the contract, the service contract provider will issue a check made payable to the lien holder.
